THE SITUATION

It’s exponentially harder for businesses to grow...

MORE NOISE + NOISE-MAKERS

Attention is becoming scarcer daily...

2014

15 "Touches"

2019

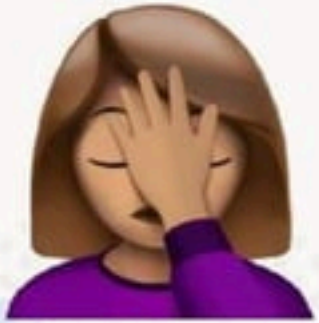

34 "Touches"

= 1 response

... not even a sales opportunity

THEIR SOLUTION

Naturally, businesses send even more "touches"...

.1% response rate of 1,000 messages is better than nothing. Send more!

PHYSICAL "TOUCHES"

Well... what about direct mail, swag, meals and tickets?
